## "In order to thoroughly satisfy the needs of the body, diet must be varied.'

"In other words, it appears that with a mixed diet, the same person will digest a larger proportion of nutrients than with a diet composed of a single food-compound."

Schlitz Famo is drink and food, com-posed of protein, carbohydrates, water, and mineral matter; each in itself essential to food.

It is readily digested—imparts the factors that Nature utilizes in maintaining life in the body, and in addition the hop aroma induces appetite -exciting the flow of gastric secretions.

Schlitz Famo is drink and food, a worth-while cereal beverage, non-intoxicating, refreshing and satisfying.
